About Metallics

Metallics knows the Fastener Market and has been serving it proudly since 1959. They stand out from their competitors because only Metallics has the ability to manufacture exclusive, unique fasteners through our affiliate, Avanti Screw, Inc. This ability to manufacture coupled with their strategically placed location in Bristol, CT along with the highest fill rates in America, same/next day shipping and personalized service when you call, clearly makes them the right choice.

Metallics
