Versatile design options.

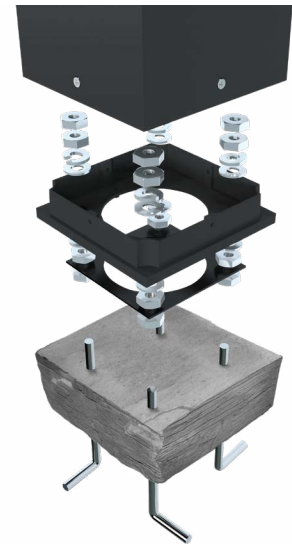

The B17 family is available in various shapes and colors to suit your aesthetic. Choose from square or round, with either flat or domed top available on the round models. All shapes are available in either black, bronze, or white finishes.

Mounting hardware included.

All models of the B17 include a mounting bracket, anchor bolts*, and all the necessary hardware for a secure installation.

**Round models have 3 anchor bolts and square models have 4. Internal base does not have leveling screws.*
